Hello to our school community,

Just a few things to share with you regarding what has been happening for our school during **Week 7: Trent Barrett Shield** - Some of our Stage 2 students participated in this event which included Rugby League for the boys and League Tag for the girls. Thank you to parents that transported our students to and from the event. A great day was had by all involved.

Week 8: Mrs Munro will be at a **Maths Conference** in Sydney Tuesday-Friday to learn some details regarding the new NSW 3-6 Maths Syllabus. **Fruit and Veggie Day** - Thursday 7 September, for Fruit and Veggie month. Students are asked to wear an item of clothing that is GREEN; a ribbon, shirt or a pair of socks will do. Could they also bring a piece of fruit or a vegetable that can be cut up and shared with their school mates during lunch.

Week 9: SCHOOL DEVELOPMENT REVIEW - If you have any questions regarding the impact to students or the process being undertaken please do not hesitate to call and speak to Mrs Donna Post who is the School Contact person for this process. **Books4Outback** - on Tuesday 12 September Mr Neil Griffiths will share some books and talk about Books4Outback. Mrs Munro will be attending a two-day seminar at Arian Park Public School regarding the new **NSW 3-6 English Syllabus**. **RUOK Day** - Thursday 14 September to recognise the importance of this day students are asked to wear an item of clothing that is yellow. **PRESCHOOL VISIT** - Friday 15 September, due to the Town Centenary and the Hall being out of action, the Preschool will be on grounds for the day. We are looking forward to some combined activities. **GRANDPARENTS / SPECIAL FRIENDS DAY** - Friday 15 September 2.30-3.00pm - We will be recognising the importance of grandparents and special friends in the lives of our students. There will be open classrooms, shared afternoon tea and a raffle draw. The students are working on a dance routine that they will present on the day.

To assist the SRC with the Grandparents / Special Friends Raffle we are asking each family to provide a small "something" that grandparents would like. For example: a packet of biscuits, a bag of lollies or a favourite chocolate bar. Think of something that you know your SPECIAL people enjoy and bring it along.

We will also be sending home a small book of raffle tickets with each family. The Tickets will be \$2.00 each. Spread the word and let's get behind the SRC as they are raising money to spend in the school vegetable garden.

A special thankyou to The CONAPAIRA Hotel for the donation of two meal vouchers.

Dear parents/carers, and community members,

Our school is taking part in a school development review which will provide us with valuable feedback on our current practices and improvement areas so that we continue to provide a quality education for all our students.

During the review, staff, parents/carers, students, and community members may be invited to provide valuable feedback and insights via confidential interviews with the school development review team. Confidentiality is assured by the school development review team. Individual participants will not be identified at any stage when providing feedback to the principal and/or in the final report. It is important to note participating in the school development review interview is voluntary, and interviews and feedback can be undertaken in a way that best meets the participant's needs. This may be face to face, via phone, or through an online meeting.

We would like to invite interested parents/carers and community members to participate in providing feedback during the school development review. Our review will take place in Rankins Springs between 11 and 15 September 2023.

We will be focusing on the two key areas of community engagement and leadership management, practices and processes.

We warmly encourage you to consider nominating to provide confidential feedback to guide our practice and inform our next steps in the school improvement cycle.

The School Development Review will be led by Mr Keith Duran, Director Educational Leadership for the Eden – Monaro Principal Network.

You can nominate to participate in the school development review in one of two ways.

By contacting the school contact person Ms Donna Post using either of the contact details below

Ph: 6966 1206 email: rankinspr-p.school@det.nsw.edu.au

By contacting Mrs Tania Noyes the Administration Officer for the Eden - Monaro Principal Network using either of the contact details below.

Ph: 6200 5028 email: ruralsouthandwestedenmonaro@det.nsw.edu.au
